EXPERIENCE

Business Automation Limited, Level-4, Joy Silicon Tower, Rajshahi
-Software Developer
July 2023 - Present

Projects:
- I worked on a government projects for PRP-Hajj Management System (Pre-Registration Platform), where the task was to maintain Pre-registration system of pilgrims. For this project, we used Laravel 8.0, PHP 7.1, jQuery, jQuery Validation, Stepjs, DataTable, and Bootstrap 4. MySQL served as the database for project development. The live link of the project is PRP .

- I worked on three other government projects for HMIS(Hajj Management Information System), where the task was to maintain Flight, trip & others things for pilgrims. For this project, we used Laravel 8.0, PHP 7.1, jQuery, jQuery Validation, Stepjs, DataTable, and Bootstrap 4. MySQL served as the database for project development. The live link of the project is HMIS .

- I worked on two other government projects for EHAJJ Project, and For the Ministry of Commerce, I worked on the Hajj Portal project.

- I worked on a government project for BTRC(Bangladesh Telecommunication Regulatory Commission), where the task was to maintain the License Issuance and Management System (LIMS). For this project, we used Laravel 8.0, PHP 7.3, jQuery, jQuery Validation, Stepjs, DataTable, and Bootstrap 4. Additionally, Vuejs 3.4 was employed for our admin panel. MySQL served as the database for project development. The live link of the project is BTRC LIMS.

bdCalling, House 14, Main Road, Block A, Banasree, Dhaka-1212
- Web Developer(Intern)
February 2023 – May 2023

Project: FlexiNote

- I have worked in a MERN stack software like Trello or an existing ToDo application.
- ExpressJs, MongoDB, and ReactJs/NextJs have been used for the project.
- JWT has been used for user authentication.
- A logger (Winston) has been used to keep the errors log report.
- ACM has been implemented for access control management
- The project has been shifted to a Docker environment for server upload.

EDUCATION
B. Sc. in Computer Science & Engineering (2017-2022)
Sonargaon University
Computer Science and Engineering
Result: 3.60
